 AUTODESK

Welcome to your new Autodesk Account
Learn how to get started

Hi Thomas,

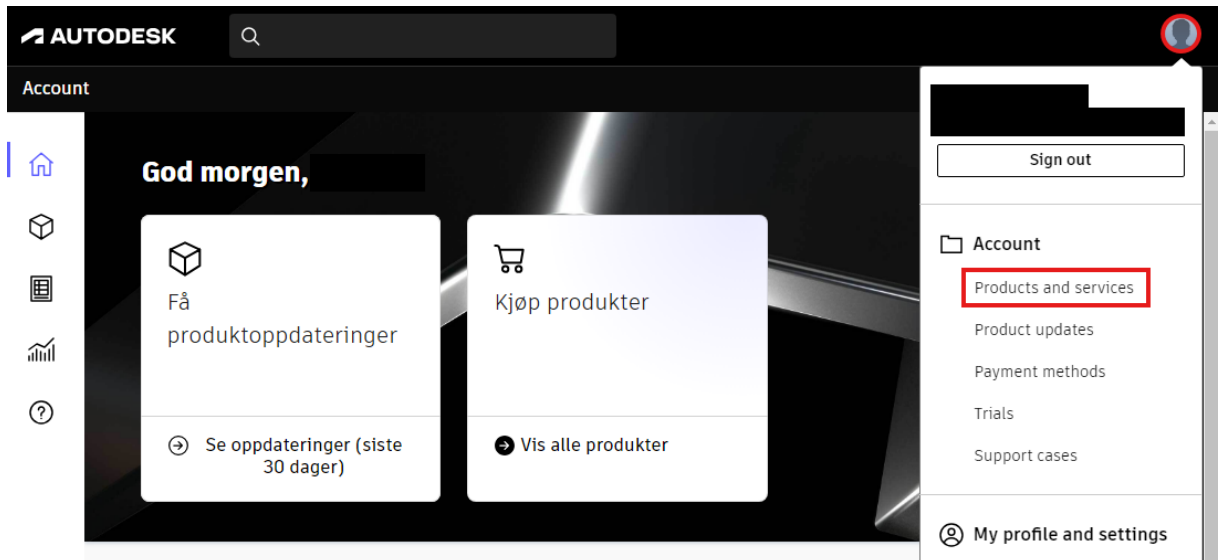

Welcome to Autodesk's growing community of innovators. Your software admin, Espen Haines Sele, has invited you to Autodesk Account, your one-stop shop for accessing Autodesk products, cloud services, and support benefits.

Getting started is easy. Simply click on the link below to confirm your email and create a password for your Autodesk Account.

Act now to get access to Autodesk products and services.

Need help?
Learn more about creating your [Autodesk Account](#).

7. Når du da har kommet inn i Autodesk trykker du på ikonet opp til høyre.
8. Velg deretter Products and Services (Produkter og tjenester).

9. Velg så Fusion på listen under og last ned.

Fusion

Fusion is the first and only integrated cloud CAD, CAM, CAE, and PCB software platform of its kind.

Last ned

10. Når du starter installasjonen av Fusion vil du få opp

Hello [REDACTED] welcome to Fusion!

In Fusion, everything happens inside a team. A team is a collaborative environment where you can store design data and work on your own or with collaborators.

Whether you are the only member of your team or collaborating, you are always in control of your data and can define who can access it.

Next

11. Velg «Create a Team» og du kan kalle det fornavnet ditt.

Hello [REDACTED], welcome to Fusion!

Your email address, [REDACTED] belongs to a public or educational organization. With this type of address, you can create a team

+ Create a Team
You will be the team administrator and control all data. You can always invite others to the team to collaborate.

If you want to join a corporate team, sign in with your corporate email address or contact your administrator.

Join Existing Team
You must be signed in with a corporate email address to join teams.

Back

12. Velg «Do not allow discovery» og trykk «Create».

- Do not allow discovery**
Do not allow other people from skole.rogfk.no to discover your team. You will need to invite each team member manually.
- Allow discovery and automatic join**
Make your team discoverable and allow people from skole.rogfk.no to join automatically.
